EXECUTIVE SUMMARY

The Fresno Police Department, in cooperation with the U.S. Attorney's Office, hosted a state wide gang prevention summit on November 29, 2006. The purpose of the summit was to bring together stake holders from other communities to discuss new and innovative ways to address gang violence in their communities. The California Endowment, Fresno Regional Office, pledged financial support to the event in the amount of \$1,000 to be used to for registration fees for community based organizations who serve youth in their communities.

KEY OBJECTIVE BALANCE

The acceptance of this funding balances the three Key Objectives of Customer Satisfaction, Employee Satisfaction and prudent Financial Management. It increases Customer Satisfaction by increasing the efficiency of police services to the community, creating a safer environment. Employee Satisfaction is increased by leveraging community based solutions to assist in public safety. Prudent Financial Management is achieved through the use of this outside funding to offset operational costs.

BACKGROUND

U.S. Attorney McGregor Scott, in cooperation with the Fresno Police Department's Mayor's Gang Prevention Initiative, hosted a state wide gang summit on November 29, 2006. The main focus of the summit was to enlist the aid of other communities and their community based organizations to develop solutions to the

problems of gangs and gang violence that plague our communities. These organizations, along with law enforcement and public service agencies, met for a day discussing best practices that have been effective in communities through out the state in dealing with these issues. As one of the event sponsors, The California Endowment, pledged financial support to offset the cost of registration fees for community based organizations that would otherwise be unable to attend. Acceptance of this funding would allow for the reimbursement of expenses incurred during this event.
